Wake Me Up Before You Go! Go! (Wham!)

You put the boom boom into my heart,
You send my soul sky high when your lovin' starts.
Jitterbug into my brain,
Goes bang bang bang till my feet do the same.

But something's bugging me
Something ain't right
My best friend told me
Where you were last night.

Left me sleeping
In my bed.
I was dreaming
But I should've been with you instead.

Wake me up before you go go,
Don't leave me hanging on like a yo-yo.
Wake me up before you go go,
I don't want to miss it when you hit that high
Wake me up before you go go,
'Cause I'm not planning on going solo.
Wake me up before you go go,
Take me dancing tonight.
I want to hit that high

You get the gray skies outta my way,
You make the sun shine brighter than Doris Day.
Turn a mere spark into a flame,
My beats per minute never been the same.

'Cause you're my lady,
I'm your fool.
Makes me crazy
When you act so cruel.

C'mon baby,
Let's not fight.
We'll go dancing
And everything will be alright.

Wake me up before you go go,
Don't leave me hanging on like a yo-yo.
Wake me up before you go go,
I don't want to miss it when you hit that high
Wake me up before you go go,
'Cause I'm not planning on going solo.

EIGHTIES

Wake me up before you go go,
Take me dancing tonight.
I want to hit that high

Cuddle up baby,
Move in tight.
We'll go dancing tomorrow night.

It's cold out there
But it's warm in bed.
They can dance,
We'll stay home instead.

Girls Just Wanna Have Fun (Cyndi Lauper)

I come home in the morning light
My mother says when you gonna live your life right
Oh mother dear we're not the fortunate ones
And girls they wanna have fun
Oh girls just want to have fun

The phone rings in the middle of the night
My father yells what you gonna do with your life
Oh daddy dear you know you're still number one
But girls they wanna have fun
Oh girls just want to have

That's all they really want
Some fun
When the working day is done
Oh girls, they wanna have fun
Oh girls just wantna have fun (girls and boys wanna have fun, girls wanna have)

Some boys take a beautiful girl
And hide her away from the rest of the world
I want to be the one to walk in the sun
Oh girls they wanna have fun
Oh girls just wanna have

That's all they really want
Some fun
When the working day is done
Oh girls, they wanna have fun
Oh girls just want to have fun (girls and boys wanna have fun, girls wanna have)

They just wanna, they just wanna
They just wanna, they just wanna, oh girl
Girls they wanna have fun
They just wanna, they just wanna
They just wanna, they just wanna, girls
They just wanna, they just wanna, oh girls
Girls just want to have fun

When the working
When the working day is done
Oh when the working day is done oh girl
Girls, they wanna have fun

They just wanna, they just wanna
They just wanna, they just wanna, oh girls
Girls just want to have fun

Never Gonna Give You Up (Rick Astley)

We're no strangers to love
You know the rules and so do I
A full commitment's what I'm thinking of
You wouldn't get this from any other guy

I just want to tell you how I'm feeling
Gotta make you understand

Never gonna give you up, never gonna let you down
Never gonna run around and desert you
Never gonna make you cry, never gonna say goodbye
Never gonna tell a lie and hurt you

We've known each other for so long
Your heart's been aching but you're too shy to say it
Inside we both know what's been going on
We know the game and we're gonna play it

And if you ask me how I'm feeling
Don't tell me you're too blind to see

Never gonna give you up, never gonna let you down
Never gonna run around and desert you
Never gonna make you cry, never gonna say goodbye
Never gonna tell a lie and hurt you

Never gonna give you up, never gonna let you down
Never gonna run around and desert you
Never gonna make you cry, never gonna say goodbye
Never gonna tell a lie and hurt you

(Ooh give you up)

(Ooh give you up)

(Ooh) Never gonna give, never gonna give (give you up)
(Ooh) Never gonna give, never gonna give (give you up)

We've known each other for so long
Your heart's been aching but you're too shy to say it
Inside we both know what's been going on
We know the game and we're gonna play it

I just want to tell you how I'm feeling
Gotta make you understand

Never gonna give you up, never gonna let you down
Never gonna run around and desert you

Never gonna make you cry, never gonna say goodbye
Never gonna tell a lie and hurt you

The Final Countdown (Europe)

(Ten, nine, eight, seven, six, five, four, three, two, one)

We're leaving together,
But still it's farewell
And maybe we'll come back
To earth, who can tell?
I guess there is no one to blame
We're leaving ground (leaving ground)
Will things ever be the same again?

It's the final countdown
The final countdown

Oh

We're heading for Venus (Venus)
And still we stand tall
'Cause maybe they've seen us (seen us)
And welcome us all, yeah
With so many light years to go
And things to be found (to be found)
I'm sure that we'll all miss her so

It's the final countdown
The final countdown
The final countdown
The final countdown
Oh

The final countdown, oh
It's the final count down
The final countdown
The final countdown
The final countdown

Oh

It's the final count down
We're leaving together

We'll all miss her so
It's the final countdown

Oh
It's the final countdown, yeah

Eye of The Tiger (Survivor)

Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

So many times, it happens too fast
You trade your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive
It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger

Face to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds 'till we take to the street
For the kill with the skill to survive

It's the eye of the tiger, it's the dream of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger

Risin' up, straight to the top
Had the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger, it's the dream of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger

The eye of the tiger
The eye of the tiger
The eye of the tiger

Walk Like An Egyptian (The Bangles)

All the old paintings on the tombs
They do the sand dance, don't you know?
If they move too quick, oh, whey, oh
They're falling down like a domino

All the bazaar men by the Nile
They got the money on a bet
Gold crocodiles, oh, whey, oh
They snap their teeth on your cigarette

Foreign types with the hookah pipes say
Ay, oh, whey, oh
Ay, oh, whey, oh
Walk like an Egyptian

The blond waitresses take their trays
They spin around and they cross the floor
They've got the moves, oh, whey, oh
You drop your drink then they bring you more

All the school kids so sick of books
They like the punk and the metal band
When the buzzer rings, oh, whey, oh
They're walking like an Egyptian

All the kids in the marketplace say
Ay, oh, whey, oh
Ay, oh, whey, oh
Walk like an Egyptian
Walk like an Egyptian

Slide your feet up the street, bend your back
Shift your arm then you pull it back
Life is hard you know, oh, whey, oh
So strike a pose on a Cadillac

If you want to find all the cops
They're hanging out in the donut shop
They sing and dance, oh, whey, oh
They spin the clubs cruise down the block

All the cops in the donut shop say
Ay, oh, whey, oh
Ay, oh, whey, oh
Walk like an Egyptian
Walk like an Egyptian

Love of The Common People (Paul Young)

Living on free food tickets
Water in the milk
From a hole in the roof
Where the rain came through
What can you do, hmmm?

Tears from your little sister
Crying because she doesn't have
A dress without a patch
For the party to go
But you know she'll get by

'Cause she's living in
The love of the common people
Smiles from the heart
Of a family man

Daddy's gonna buy you
A dream to cling to
Mama's gonna love you
Just as much as she can
And she can

It's a good thing
You don't have bus fare
It would fall through the hole
In your pocket and you'd lose it
In the snow on the ground
You got to walk into town
To find a job

Tryin' to keep your hands warm
When the hole in your shoe
Let the snow come through
And chill you to the bone
Somehow you'd better go home
Where it's warm

Where you can live in
The love of the common people
Smile from the heart
Of a family man

Daddy's gonna buy you
A dream to cling to
Mama's gonna love you

EIGHTIES

And she can

Living on a dream ain't easy
But the closer the knit
The tighter the fit
And the chills stay away
'Cause we take 'em in stride
For family pride

You know that faith
Is your foundation
With a whole lot of love
And a warm conversation
But don't forget to pray
It's makin' it strong
Where you belong

And we're living in
The love of the common people
Smiles from the heart
Of a family man

Daddy's gonna buy you
A dream to cling to
Mama's gonna love you
Just as much as she can
And she can

Yes, we're living in
The love of the common people
Smile's from the heart
Of a family man

Daddy's gonna buy you
A dream to cling to
Mama's gonna love you
Just as much as she can

Smiles from the heart
Of a family man

Daddy's gonna buy you

Don't Stop Believin' (Journey)

Just a small town girl
Livin' in a lonely world
She took the midnight train goin' anywhere
Just a city boy
Born and raised in south Detroit
He took the midnight train goin' anywhere

A singer in a smoky room
A smell of wine and cheap perfume
For a smile they can share the night
It goes on and on, and on, and on

[Chorus]
Strangers waitin'
Up and down the boulevard
Their shadows searching in the night
Streetlights, people
Livin' just to find emotion
Hidin' somewhere in the night
Workin' hard to get my fill
Everybody wants a thrill
Payin' anythin' to roll the dice
Just one more time
Some will win, some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on, and on, and on

Strangers waitin'
Up and down the boulevard
Their shadows searchin' in the night
Streetlights, people
Livin' just to find emotion
Hidin' somewhere in the night

[Chorus]
Don't Stop Believin'
Hold on to the feelin'

Ohh-Ohhh-Ohhhhhhhh

Don't Stop Believin'

Can't Fight This Feeling (REO Speedwagon)

Oh, I can't fight this feeling any longer
And yet I'm still afraid to let it flow
What started out this friendship has grown stronger
I only wish I had the strength to let it show

I tell myself that I can't hold out forever
I said there is no reason for my fear
'Cause I feel so secure when we're together
You give my life direction
You make everything so clear

And even as I wander
I'm keeping you in sight
You're a candle in the window
On a cold, dark winter's night
And I'm getting closer than I ever thought I might

And I can't fight this feeling anymore
I've forgotten what I started fighting for
It's time to bring this ship into the shore
And throw away the oars, forever

'Cause I can't fight this feeling anymore
I've forgotten what I started fighting for
And if I have to crawl upon the floor
Come crushing through your door
Baby, I can't fight this feeling anymore

My life has been such a whirlwind since I saw you
I've been running around in circles in my mind
And it always seems that I'm following you, girl
'Cause you take me to the places
That alone I'd never find

And even as I wander
I'm keeping you in sight
You're a candle in the window
On a cold, dark winter's night
And I'm getting closer than I ever thought I might

Total Eclipse of The Heart (Bonnie Tyler)

Turn around, every now and then I get a little bit lonely
And you're never coming round
Turn around, every now and then I get a little bit tired
Of listening to the sound of my tears
Turn around, every now and then I get a little bit nervous
That the best of all the years have gone by
Turn around, every now and then I get a little bit terrified
And then I see the look in your eyes
Turn around bright eyes, every now and then I fall apart
Turn around bright eyes, every now and then I fall apart

And I need you now tonight
And I need you more than ever
And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong together
We can take it to the end of the line
Your love is like a shadow on me all of the time (all of the time)
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight
Once upon a time I was falling in love
But now I'm only falling apart
And there's nothing I can do
A total eclipse of the heart
Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart

Turn around bright eyes, every now and then I fall apart
Turn around bright eyes, every now and then I fall apart

And I need you now tonight (and I need you now)
And I need you more than ever
And if you only hold me tight (and if you only)

Down Under (Men At Work)

Traveling in a fried-out combie
On a hippie trail, head full of zombie
I met a strange lady, she made me nervous
She took me in and gave me breakfast
And she said

Do you come from a land down under?
Where women glow and men plunder?
Can't you hear, can't you hear the thunder?
You better run, you better take cover

Buying bread from a man in Brussels
He was six-foot-four and full of muscles
I said, "do you speak-a my language?"
He just smiled and gave me a vegemite sandwich
And he said

I come from a land down under
Where beer does flow and men chunder
Can't you hear, can't you hear the thunder?
You better run, you better take cover, yeah

Lyin' in a den in Bombay
With a slack jaw, and not much to say
I said to the man, "are you trying to tempt me
Because I come from the land of plenty?"
And he said

Do you come from a land down under? (oh yeah yeah)
Where women glow and men plunder?
Can't you hear, can't you hear the thunder?
You better run, you better take cover

Living in a land down under
Where women glow and men plunder
Can't you hear, can't you hear the thunder?
You better run, you better take cover

Living in a land down under

Can't you hear, can't you hear the thunder?

Africa (Toto)

I hear the drums echoing tonight
But she hears only whispers of some quiet conversation
She's coming in, 12:30 flight
The moonlit wings reflect the stars that guide me towards salvation
I stopped an old man along the way
Hoping to find some long forgotten words or ancient melodies
He turned to me as if to say, "Hurry boy, it's waiting there for you"

It's gonna take a lot to take me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had

The wild dogs cry out in the night
As they grow restless, longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had

Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
I bless the rains down in Africa
(I bless the rain)
I bless the rains down in Africa

9 To 5 (Dolly Parton)

Tumble outta bed and I stumble to the kitchen
Pour myself a cup of ambition
Yawn and stretch and try to come to life
Jump in the shower and the blood starts pumpin'
Out on the street the traffic starts jumpin'
With folks like me on the job from 9 to 5

Workin' 9 to 5, what a way to make a livin'
Barely gettin' by, it's all takin' and no givin'
They just use your mind and they never give you credit
It's enough to drive you crazy if you let it
9 to 5, for service and devotion
You would think that I would deserve a fat promotion
Want to move ahead but the boss won't seem to let me
I swear sometimes that man is out to get me!

They let you dream just to watch 'em shatter
You're just a step on the boss-man's ladder
But you got dreams he'll never take away
You're in the same boat with a lotta your friends
Waitin' for the day your ship'll come in
An' the tide's gonna turn and it's all gonna roll your way

Workin' 9 to 5, what a way to make a livin'
Barely gettin' by, it's all takin' and no givin'
They just use your mind and you never get the credit
It's enough to drive you crazy if you let it
9 to 5, yeah they got you where they want you
There's a better life, and you dream about it, don't you?
It's a rich man's game no matter what they call it
And you spend your life puttin' money in his wallet

9 to 5, whoa what a way to make a livin'
Barely gettin' by, it's all takin' and no givin'
They just use your mind and they never give you credit
It's enough to drive you crazy if you let it

9 to 5, yeah they got you where they want you
There's a better life, and you dream about it, don't you?
It's a rich man's game no matter what they call it
And you spend your life puttin' money in his wallet

Wrap myself around you

99 Red Balloons (Nena)

You and I in a little toy shop
Buy a bag of balloons with the money we've got
Set them free at the break of dawn
'Til one by one they were gone
Back at base bugs in the software
Flash the message "something's out there!"
Floating in the summer sky
Ninety-nine red balloons go by

Ninety-nine red balloons
Floating in the summer sky
Panic bells, it's red alert
There's something here from somewhere else
The war machine springs to life
Opens up one eager eye
Focusing it on the sky
Where ninety-nine red balloons go by

Ninety-nine decision street
Ninety-nine ministers meet
To worry, worry, super scurry
Call the troops out in a hurry
This is what we've waited for
This is it, boys, this is war
The president is on the line
As ninety-nine red balloons go by

Ninety-nine knights of the air
Ride super high-tech jet fighters
Everyone's a super hero
Everyone's a captain Kirk
With orders to identify
To clarify and classify
Scramble in the summer sky
Ninety-nine red balloons go by

As ninety-nine red balloons go by

Ninety-nine dreams I have had
In every one a red balloon
It's all over and I'm standing pretty
In this dust that was a city
If I could find a souvenir
Just to prove the world was here
And here is a red balloon
I think of you, and let it go

The Power of Love (Jennifer Rush)

The whispers in the morning
Of lovers sleeping tight
Are rolling by like thunder now
As I look in your eyes

I hold on to your body
And feel each move you make
Your voice is warm and tender
A love that I could not forsake

'Cause I am your lady
And you are my man
Whenever you reach for me
I'll do all that I can

Lost is how I'm feeling lying in your arms
When the world outside's too much to take
That all ends when I'm with you

Even though there may be times
It seems I'm far away
Never wonder where I am
'Cause I am always by your side

'Cause I am your lady
And you are my man
Whenever you reach for me
I'll do all that I can

We're heading for something
Somewhere I've never been
Sometimes I am frightened
But I'm ready to learn
Of the power of love

The sound of your heart beating
Made it clear
Suddenly the feeling that I can't go on
Is light years away

'Cause I am your lady
And you are my man
Whenever you reach for me
I'll do all that I can

We're heading for something

EIGHTIES

Somewhere I've never been
Sometimes I am frightened
But I'm ready to learn
Of the power of love

The power of love
The power of love
Sometimes I am frightened but I'm ready to learn
Of the power of love

The power of love, ooh ooh
(As I look into your eyes)
The power of love (The power of love)

Waiting For A Star To Fall (Boy Meets Girl)

I hear your name whispered on the wind
It's a sound that makes me cry
I hear a song blow again and again
Through my mind and I don't know why
I wish I didn't feel so strong about you
Like happiness and love revolve around you

Trying to catch your heart
Is like trying to catch a star
So many people love you baby
That must be what you are

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

I've learned to feel what I cannot see
But with you I lose that vision
I don't know how to dream your dream
So I'm all caught up in superstition
I want to reach out and pull you to me
Who says I should let a wild one go free

Trying to catch your heart
Is like trying to catch a star
But I can't love you this much baby
And love you from this far

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

Waiting (however long...)
I don't like waiting (I'll wait for you...)
It's so hard waiting (don't be too long...)
Seems like waiting (makes me love you even more...)

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

You Spin Me Right Round (Dead or Alive)

If I, I get to know your name
Well if I, could trace your private number, baby

All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
I want some, want some

I set my sights on you (and no one else will do)
And I, I've got to have my way now, baby

All I know is that to me
You look like you're having fun
Open up your lovin' arms
Watch out here I come

You spin me right round, baby
Right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round

I got to be your friend now, baby
And I would like to move in just a little bit closer

All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
Watch out, here I come

You spin me right round, baby
Right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round

I want your love
I want your love

All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
Watch out, here I come

EIGHTIES

You spin me right round, baby
Right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round

You spin me right round, baby
Right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round

You spin me right round, baby
Right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round

Caribbean Queen (Billy Ocean)

She dashed by me in painted on jeans
And all heads turned 'cause she was the dream
In the blink of an eye I knew her number and her name yeah
Ah she said I was the tiger she wanted to tame

Caribbean queen
Now we're sharing the same dream
And our hearts they beat as one
No more love on the run

I lose my cool when she steps in the room
And I get so excited just from her perfume
Electric eyes that you can't ignore
And passion burns you like never before

I was in search of a good time
Just running my game
Love was the furthest
Furthest from my mind

Caribbean queen
Now we're sharing the same dream
And our hearts they beat as one
No more love on the run

Caribbean queen
Now we're sharing the same dream
And our hearts they beat as one
No more love on the run

Caribbean queen
Now we're sharing the same dream
And our hearts they beat as one
No more love on the run

Feels Like Heaven (Fiction Factory)

Heaven is closer now today
The sound is in my ears
I can't believe the things you say
They echo what I fear
Twisting the bones until they snap
I scream but no one knows
You say I'm familiar cold to touch
And then you turn and go

Feels like heaven...

See how we planned for saddened eyes
And tears to pave the way
I fought the fever as I knew
My hair returned to grey
Study your face and fade the frame
Too close for comfort now
We can recall the harmony
That lingered but turned sour

Feels like heaven...

Can You Feel It (The Jacksons)

If you look around
The whole world is coming
together now.
Can you feel it, can you feel it, can
you feel it?
Feel it in the air, the wind is taking it
everywhere
Can you feel it, can you feel it, can
you feel it?

All the colors of the world should be
Lovin' each other wholeheartedly.
Yes, it's all right.

Take my message to your brother
and tell him twice.
Spread the word and try to teach
the man
Who's hating his brother, when hate
won't do.
When we're all the same, 'cause the
blood inside me is inside you.

Can you feel it, can you feel it, can
you feel it?
Can you feel it, can you feel it, can
you feel it?

Sing out loud
Because we want to make a crowd.
Touch a hand and sing a sound so
pure, salvation rings.

Can you feel it, can you feel it, can
you feel it?
Can you feel it, can you feel it, can
you feel it?

All the children of the world
should be
Loving each other wholeheartedly.
Yes, it's all right.
Take my message to your brother
and tell him twice.
Take the news to the marching men.
Who are killing their brothers, when
death won't do

EIGHTIES

'Cause we're all the same.
Yes, the blood inside me is inside
of you.

Can you feel it, can you feel it, can
you feel it.
Can you feel it, can you feel it, can
you feel it.

Every breath you take
Is someone's death in another place.
Every healthy smile
Is hunger and strife to another child.

But the stars do shine
In promising salvation, is near
this time.

Can you feel it now.
So sisters and brothers
Show we know how
Now tell me

Can you feel it, can you feel it, can
you feel it.
Can you feel it, can you feel it, can
you feel it.

Walk This Way (Run-DMC)

Backstroke lover always hidin' 'neath the cover
'Till I talked to my daddy he say
He said, you ain't seen notin'
'Till you're down on a muffin
Then you're sure to be a-changin' your ways

I met a cheerleader, was a real young bleeder
All the times I can reminisce
Ah the best thing lovin' with her sister and her cousin
Started with a little kiss, like this

See-saw swingin' with the boys in the school
With your feet flyin' up in the air
Singin' hey diddle-diddle with the kitty in the middle
You be swingin' like you just didn't care

So I took a big chance at the high school dance
With a missy who was ready to play
Was it me she was foolin'?
'Cause she knew what she was doin'
Taught me how to walk this way
She told me to

Walk this way, walk this way
Walk this way, walk this way
Walk this way, walk this way
Walk this way, walk this way
Ah, just give me a kiss

Like this
School girl sadie with the classy kinda sassy
Little skirt climbing way up her knees
There was three young ladies in the school gym locker
When I noticed they was lookin' at me

I was a high school loser, never made it with a lady
Till the boys told me something I missed
Then my next door neighbour with a daughter had a favour
Took me just a little kiss, like this

See-saw swingin' with the boys in the school
With your feet flyin' up in the air
Singin' hey diddle-diddle with the kitty in the middle
You be swingin' like you just didn't care

So I took a big chance at the high school dance

Walk this way, walk this way

Just give me a kiss
