## Millennium (Robbie Williams)

We've got stars directing our fate  
And we're prayin' it's not too late  
Millennium

Some say that we are players, some say that we are pawns  
But we've been makin' money since the day that we were born  
Got some slow downs, cause we'll low down  
Run a round in circles, live a life of solitude  
'Till we find ourselves a partner, someone to relate to  
Then we'll slow down, before we fall down

We've got stars directin' our fate  
And we're prayin' it's not too late  
'Cause we know we're fallin' from grace  
Millennium

Live for liposuction, detox for your rent  
Overdose at Christmas and give it up for lent  
My friends are all so cynical refuse to keep the faith  
We all enjoy the madness 'cause we know we're gonna fade away

We've got stars directin' our fate  
And we're prayin' it's not too late  
'Cause we know we're fallin' from grace  
Millennium

Come and have a go if you think you are hard enough  
Come and have a go if you think you are hard enough  
Millennium  
Millennium

We've got stars directin' our fate  
And we're prayin' it's not too late  
'Cause we know we're fallin' from grace  
Millennium

Sounds like a jingle  
It's like a, ha ha

And when we come we always come too late  
I often think that we were born to hate  
Get up and see the sarcasm in my eyes

And when we come we always come too late  
I often think that we were born to hate  
Get up and see the sarcasm in my eyes

We've got stars directin' our fate  
And we're prayin' it's not too late  
'Cause we know we're fallin' from grace  
And we won't stop

We've got stars directin' our fate  
And we're prayin' it's not too late  
'Cause we know we're fallin' from grace

## Wannabe (Spice Girls)

Ha ha ha ha ha

Yo, I'll tell you what I want, what I really, really want  
So tell me what you want, what you really, really want  
I'll tell you what I want, what I really, really want  
So tell me what you want, what you really, really want  
I wanna, (ha) I wanna, (ha) I wanna, (ha) I wanna, (ha)

I wanna really, really, really wanna zigzag ah

If you want my future, forget my past

If you wanna get with me, better make it fast

Now don't go wasting my precious time

Get your act together we could be just fine

I'll tell you what I want, what I really, really want

So tell me what you want, what you really, really want

I wanna, (ha) I wanna, (ha) I wanna, (ha) I wanna, (ha)

I wanna really, really, really wanna zigzag ah

If you wanna be my lover, you gotta get with my friends

(Gotta get with my friends)

Make it last forever, friendship never ends

If you wanna be my lover, you have got to give

Taking is too easy, but that's the way it is

Oh, what do you think about that

Now you know how I feel

Say, you can handle my love, are you for real

(Are you for real)

I won't be hasty, I'll give you a try

If you really bug me then I'll say goodbye

Yo I'll tell you what I want, what I really, really want

So tell me what you want, what you really, really want

I wanna, (ha) I wanna, (ha) I wanna, (ha) I wanna, (ha)

I wanna really, really, really wanna zigzag ah

If you wanna be my lover, you gotta get with my friends

(Gotta get with my friends)

Make it last forever, friendship never ends

If you wanna be my lover, you have got to give

(You've got to give)

Taking is too easy, but that's the way it is

So, here's a story from A to Z

You wanna get with me, you gotta listen carefully

We got Em in the place who likes it in your face

You got G like MC who likes it on a

Easy V doesn't come for free, she's a real lady

And as for me, ha you'll see

Slam your body down and wind it all around

Slam your body down and wind it all around

If you wanna be my lover, you gotta get with my friends

(Gotta get with my friends)

## Believe (Cher)

No matter how hard I try  
You keep pushing me aside  
And I can't break through  
There's no talking to you  
It's so sad that you're leaving  
It takes time to believe it  
But after all is said and done  
You're gonna be the lonely one  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
What am I supposed to do  
Sit around and wait for you  
Well I can't do that  
And there's no turning back  
I need time to move on  
I need a love to feel strong  
Cause I've got time to think it through  
And maybe I'm too good for you  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Well I know that I'll get through this  
'Cause I know that I am strong  
I don't need you anymore  
I don't need you anymore  
I don't need you anymore  
No I don't need you anymore  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Do you believe in life after love

## Fairground (Simply Red)

Driving down an endless road  
Takin' friends or moving alone  
Pleasure at the fairground on the way  
It's always friends that feel so good  
Let's make amends like all good men should  
Pleasure at the fairground on the way  
Walk around, be free and roam  
There's always someone leaving alone  
Pleasure at the fairground on the way  
And I love the thought of comin' home to you  
Even if I know we can't make it  
Yes I love the thought of givin' hope to you  
Just a little ray of light shinin' through  
Love can bend and breathe alone  
Until the end it finds you a home  
Don't care what the people may say  
It's always friends that feel so good  
Let's make amends like all good men should  
Pleasure at the fairground on the way  
And I love the thought of comin' home to you

## Torn (Natalie Imbruglia)

I thought, I saw a man brought to life  
He was warm, he came around and he was dignified  
He showed me what it was to cry  
Well, you couldn't be that man I adored  
You don't seem to know  
Seem to care what your heart is for  
But I don't know him anymore  
There's nothing where he used to lie  
The conversation has run dry  
That's what's going on  
Nothing's fine, I'm torn

I'm all out of faith  
This is how I feel  
I'm cold and I'm ashamed  
Lying naked on the floor  
Illusion never changed  
Into something real  
I'm wide awake and I can see  
The perfect sky is torn  
You're a little late, I'm already torn  
So I guess the fortune teller's right  
Should have seen just what was there  
And not some holy light  
It crawled beneath my veins  
And now I don't care, I had no luck  
I don't miss it all that much  
There's just so many things  
That I can touch, I'm torn  
I'm all out of faith  
This is how I feel  
I'm cold and I'm ashamed  
Lying naked on the floor  
Illusion never changed  
Into something real

I'm wide awake and I can see  
The perfect sky is torn  
You're a little late, I'm already torn, torn  
There's nothing where he used to lie  
My inspiration has run dry  
That's what's going on  
Nothing's right, I'm torn  
I'm all out of faith  
This is how I feel  
I'm cold and I am shamed  
Lying naked on this floor

## I'll Be There For You (The Rembrandts)

So no one told you life was gonna be this way  
Your jobs a joke, you're broke, your love life's D.O.A  
It's like you're always stuck in second gear  
When it hasn't been your day, your week, your month, or even your year, but  
I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)  
I'll be there for you  
( 'Cause you're there for me too)  
You say you never know what's gonna come your way  
Now you're lost just like a needle in the hay  
And there's no room for how you really feel  
Until somebody comes along and takes you back  
To where it's all real and  
I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)  
I'll be there for you  
( 'Cause you're there for me too)  
If I could make your worries disappear  
To help you realize  
The only thing you have to fear  
Is in your mind  
It's like you're always stuck in second gear  
When it hasn't been your day, your week, your month, or even your year but  
I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)[repeat verse x3]  
I'll be there for you  
( 'Cause you're there for me too)

## Love Is All Around (Wet Wet Wet)

I feel it in my fingers  
I feel it in my toes  
The love that's all around me  
And so the feeling grows  
It's written on the wind  
It's everywhere I go  
So if you really love me  
Come on and let it show  
You know I love you, I always will  
My mind's made up by the way that I feel  
There's no beginning, there'll be no end  
'Cause on my love you can depend  
I see your face before me  
As I lay on my bed  
I cannot get to thinking  
Of all the things you said  
You gave your promise to me and I gave mine to you  
I need someone beside me in everything I do  
You know I love you, I always will  
My mind's made up by the way that I feel  
There's no beginning, there'll be no end  
'Cause on my love you can depend  
I got to keep it moving  
It's written in the wind  
Oh everywhere I go  
So if you really love me, love me  
Come on and let it show  
Come on and let it show  
Come on and let it  
Come on and let it,  
Come on and let it show  
Come on and let it,  
Come on and let it,  
Come on and let it show,  
Come on and let it show,  
Come on and let it show

## Father & Son (Boyzone)

It's not time to make a change  
Just relax, take it easy  
You're still young, that's your fault  
There's so much you have to know  
Find a girl, settle down  
If you want, you can marry  
Look at me, I am old  
But I'm happy  
I was once like you are now  
And I know that it's not easy  
To be calm, when you've found

Something going on  
Take your time, think a lot  
Think of everthing you've got  
For you will still be here tomorrow  
But your dreams may not  
How can I try to explain?  
When I do, he turns away again  
And it's always been the same  
Same old story  
From the moment I could talk  
I was old enough to listen  
Now there's a way and I know  
That I have to go away I know, I have to go  
It's not time to make a change  
Just sit down and take it slowly  
You're still young, that's your fault  
There's so much you have to go through  
Find a girl, settle down  
If you want, you can marry  
Look at me, I am old  
But I'm happy  
All the times, that I've cried  
Keeping all the things I knew inside  
And it's hard  
But it's harder to ignore it  
If they were right, I'd agree  
But it's them they know, not me  
Now there's a way and I know that  
I have to go away I know, I have to go

## Bring It All Back (S Club 7)

Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got  
Bring it all back to you  
Hold on to what you try to be, your individuality  
When the world is on your shoulders  
Just smile and let it go  
When people try to put you down  
Just walk on by don't turn around  
You only have to answer to yourself  
Don't you know it's true what they say

That life it ain't easy  
But your time's coming around  
So don't you stop tryin'  
Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got  
Bring it all back to you  
Dream of falling in love  
Anything you've been thinking of  
When the world seems to get too tough  
Bring it all back to you  
Try not to worry 'bout a thing  
Enjoy the good times life can bring  
Don't keep it all inside you  
Gotta let let your feelings show  
Imagination is the key 'cause you are your own destiny  
You never should be lonely when time is on your side  
Don't you know, it's true what they say  
Things are sent to try you  
But your time's coming around  
So don't you stop tryin'  
Don't stop, never give up  
Hold your head high and reach the top  
Let the world see what you have got  
Bring it all back to you  
Dream of falling in love  
Anything you've been thinking of  
When the world seems to get too tough  
Bring it all back to you  
Don't you know, it's true what they say  
Things happened for a reason  
But your time's coming around  
So don't you stop tryin'  
Don't stop, never give up  
Hold your head high and reach the top

## Walking In Memphis (Marc Cohn)

Put on my blue suede shoes  
And I boarded the plane  
Touched down in the land of the Delta Blues  
In the middle of the pouring rain  
W.C. Handy  
Won't you look down over me  
Yeah, I got a first class ticket  
But I'm as blue as a boy can be  
Then I'm walking in Memphis  
Was walking with my feet, ten feet off of Beale  
Walking in Memphis

But do I really feel the way I feel  
Saw the ghost of Elvis  
On Union Avenue  
Followed him up to the gates of Graceland  
Then I watched him walk right through  
Now security they did not see him  
They just hovered 'round his tomb  
But there's a pretty little thing, waiting for the king  
Down in the Jungle Room  
When I was walking in Memphis  
I was walking with my feet, ten feet off of Beale  
Walking in Memphis  
But do I really feel the way I feel  
They've got catfish on the table  
They've got gospel in the air  
And Reverend Green, be glad to see you  
When you haven't got a prayer  
Boy, you got a prayer in Memphis  
Now Muriel, plays piano  
Every Friday at the Hollywood  
And they brought me down to see her  
And they asked me if I would  
To do a little number

And I sang with all my might  
She said, "Tell me are you a Christian child?"  
And I said, "Ma'am, I am tonight"  
Walking in Memphis

I was walking with my feet, ten feet off of Beale  
Walking in Memphis

I was walking with my feet, ten feet off of Beale

Walking in Memphis  
(Walking in Memphis)  
But do I really feel the way I feel  
Put on my blue suede shoes  
And I boarded the plane  
Touched down in the land of the Delta Blues  
In the middle of the pouring rain  
Touched down in the land of the Delta Blues  
In the middle of the pouring rain

### **Kiss Me (Sixpence None The Richer)**

Kiss me out on the bearded barley  
Nightly, beside the green, green grass  
Swing, swing, swing the spinning step  
You wear those shoes and I will wear that dress  
Oh, kiss me beneath the milky twilight  
Lead me out on the moonlit floor, lift your open hand  
Strike up the band and make the fireflies dance  
Silver moon's sparkling  
So kiss me

Kiss me down by the broken tree house  
Swing me upon its hanging tire  
Bring, bring, bring your flowered hat  
We'll take the trail marked on your father's map  
Oh, kiss me beneath the milky twilight  
Lead me out on the moonlit floor, lift your open hand  
Strike up the band and make the fireflies dance  
Silver moon's sparkling  
So kiss me

Kiss me beneath the milky twilight  
Lead me out on the moonlit floor, lift your open hand  
Strike up the band and make the fireflies dance  
Silver moon's sparkling  
So kiss me  
So kiss me  
So kiss me  
So kiss me

## Nothing Compares 2 U (Sinead O'Connor)

It's been seven hours and fifteen days  
Since you took your love away  
I go out every night and sleep all day  
Since you took your love away  
Since you been gone I can do whatever I want  
I can see whomever I choose  
I can eat my dinner in a fancy restaurant  
But nothing  
I said nothing can take away these blues  
'Cause nothing compares  
Nothing compares to you  
It's been so lonely without you here  
Like a bird without a song  
Nothing can stop these lonely tears from falling  
Tell me baby where did I go wrong  
I could put my arms around every boy I see  
But they'd only remind me of you  
I went to the doctor guess what he told me  
Guess what he told me  
He said girl you better try to have fun no matter what you do  
But he's a fool  
'Cause nothing compares, nothing compares to you  
All the flowers that you planted mama  
In the back yard  
All died when you went away  
I know that living with you baby was sometimes hard  
But I'm willing to give it another try  
Nothing compares  
Nothing compares to you  
Nothing compares  
Nothing compares to you  
Nothing compares  
Nothing compares to you

### Stay (Shakespear's Sister)

If this world is wearing thin  
And you're thinking of escape  
I'll go anywhere with you  
Just wrap me up in chains  
But if you try to go out alone  
Don't think I'll understand

Stay with me

Stay with me

In the silence of your room  
In the darkness of your dreams  
You must only think of me

There can be no in between  
When your pride is on the floor  
I'll make you beg for more

Stay with me

Stay with me

You'd better hope and pray that you make it safe  
Back to your own world

You'd better hope and pray that you'll wake one day

In your own world

'Cause when you sleep at night they don't hear your cries

In your own world

Only time will tell if you can break the spell

Back in your own world

Stay with me

Stay with me

Stay, stay with me

Stay, stay, stay, stay, stay

Stay with me

## Killing Me Softly With His Song (Fugees)

Strumming my pain with his fingers  
Singing my life with his words  
Killing me softly with his song  
Killing me softly with his song  
Telling my whole life with his words  
Killing me softly with his song  
I heard he sang a good song, I heard he had a style  
And so I came to see him, to listen for a while  
And there he was, this young boy, a stranger to my eyes  
Strumming my pain with his fingers  
Singing my life with his words  
Killing me softly with his song  
Killing me softly with his song  
Telling my whole life with his words  
Killing me softly with his song  
I felt all flushed with fever, embarrassed by the crowd  
I felt he'd found my letters and read each one out loud  
I prayed that he would finish, but he just kept right on

## Never Ever (All Saints)

A few questions that I need to know  
How you could ever hurt me so?  
I need to know what I've done wrong?  
And how long it's been going on?  
Was it that I never paid enough attention?  
Or did I not give enough affection?  
Not only will your answers keep me sane  
But I'll know never to make the same mistake again  
You can tell me to my face  
Or even on the phone  
You can write it in a letter  
Either way I've have to know  
Did I never treat you right?  
Did I always start the fight?  
Either way I'm going out of my mind  
All the answers to my questions I have to find  
My head's spinning boy, I'm in a daze  
I feel isolated, don't wanna communicate  
I take a shower, I will scour, I will roam  
Find peace of mind, the happy mind I once owned, yeah  
Flexing vocabulary runs right through me  
The alphabet runs right from A to Z  
Conversations, hesitations in my mind  
You got my conscience asking questions that I can't find  
I'm not crazy, I'm sure I ain't done nothin' wrong, no  
I'm just waiting 'cos I heard that this feeling won't last that long  
Never ever have I ever felt so low  
When you gonna take me out of this black hole  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad  
Never ever have I had to find  
I've had to dig a way to find my own piece of mind  
I've never ever had my conscience to fight  
The way I'm feeling yeah, it just don't feel right  
Never ever have I ever felt so low  
When you gonna take me out of this black hole  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad  
Never ever have I had to find  
I've had to dig a way to find my own piece of mind  
I've never ever had my conscience to fight  
The way I'm feeling yeah, it just don't feel right  
I'll keep searching deep within my soul for all the answers  
Don't wanna hurt no more, I need peace  
Got to feel at ease  
Need to be free from pain

## I Believe I Can Fly (R. Kelly)

I used to think that I could not go on  
And life was nothing but an awful song  
But now I know the meaning of true love  
I'm leaning on the everlasting arms  
If I can see it, then I can do it  
If I just believe it, there's nothing to it  
I believe I can fly  
I believe I can touch the sky  
I think about it every night and day (Night and day)  
Spread my wings and fly away  
I believe I can soar

I see me running through that open door  
I believe I can fly  
I believe I can fly  
I believe I can fly (hoo)  
See I was on the verge of breaking down  
Sometimes silence can seem so loud  
There are miracles in life I must achieve  
But first I know it starts inside of me, ho oh  
If I can see it hoo, then I can be it  
If I just believe it, there's nothing to it  
I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running through that open door  
I believe I can fly  
I believe I can fly  
Oh, I believe I can fly hoo  
Hey, 'cause I believe in me, oh  
If I can see it hoo, then I can do it  
If I just believe it, there's nothing to it hey  
I believe I can fly hoo

I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running through that open door  
I believe I can fly (I can fly)  
I believe I can fly (I can fly)  
I believe I can fly (I can fly) hey  
If I just spread my wings (I can fly)  
I can fly (I can fly)  
I can fly (I can fly)  
I can fly, (I can fly) hey

If I just spread my wings (I can fly)  
I can fly (I can fly)

## Gangsta's Paradise (Coolio & LV.)

As I walk through the valley of the shadow of death  
I take a look at my life and realize there's none left  
'Cause I've been brassing and laughing so long that  
Even my mamma thinks that my mind is gone  
But I ain't never crossed a man that didn't deserve it  
Me be treated like a punk, you know that's unheard of  
You better watch how you talking, and where you walking  
Or you and your homies might be lined in chalk  
I really hate to trip but I gotta lope  
As they croak I see myself in the pistal smoke fool  
I'm the kinda G that little homies want to be like

On my knees in the night, saying prayers in the street light  
They been spending most their lives living in the gangsta's paradise  
They been spending most their lives living in the gangsta's paradise  
We keep spending most our lives living in the gangsta's paradise  
We keep spending most our lives living in the gangsta's paradise  
They got the situation, they got me facing  
I can't live a normal life, I was raised by the strip  
So I gotta be down with the hood team  
Too much television watching got me chasing dreams  
I'm a educated fool with money on my mind  
Got my ten in my hand and a gleam in my eye  
I'm a loped out gangsta set trippin banger  
And my homies is down so gonna rouse my anger fool  
Death aint nothing but a heart beat away  
I'm living life do or die, what can I say  
I'm twenty three never will I live to see 24  
The way things is going I don't know  
Tell me why are we so blind to see  
That the ones we hurt are you and me.

They been spending most their lives living in the gangsta's paradise  
They been spending most their lives living in the gangsta's paradise  
We keep spending most our lives living in the gangsta's paradise  
We keep spending most our lives living in the gangsta's paradise

Power and the money, money and the power  
Minute after minute, hour after hour  
Everybody's running, but half of them ain't looking  
What's going on in the kitchen, but I don't know what's cooking  
They say I've got to learn but nobody's here to teach me  
If they can't understand it, how can they reach me  
I guess they can't  
I guess they won't  
I guess they front

That's why I know my life is out of luck fool  
They been spending most their lives living in the gangsta's paradise  
They been spending most their lives living in the gangsta's paradise

We keep spending most our lives living in the gangsta's paradise  
We keep spending most our lives living in the gangsta's paradise  
Tell me why are we so blind to see  
That the ones we hurt are you and me.  
Tell me why are we so blind to see  
That the ones we hurt are you and me.

### **Return of The Mack (Mark Morrison)**

Oh, oo-o-oh, come on, ooh, yeah  
Well I tried to tell you so (yes, I did)  
But I guess you didn't know, as I said the story goes  
Baby, now I got the flow  
'Cause I knew it from the start  
Baby, when you broke my heart  
That I had to come again, and show you that I'm real  
(You lied to me) All those times I said that I love you  
(You lied to me) Yes, I tried, yes, I tried  
(You lied to me) Even though you know I'd die for you  
(You lied to me) Yes, I cried, yes, I cried  
[Chorus:]  
(Return of the Mack) It is  
(Return of the Mack) Come on  
(Return of the Mack) Oh my God  
(You know that I'll be back) Here I am  
(Return of the Mack) Once again  
(Return of the Mack) Pump up the world  
(Return of the Mack) Watch my flow  
(You know that I'll be back) Here I go  
So I'm back up in the game  
Running things to keep my swing  
Letting all the people know  
That I'm back to run the show  
'Cause what you did, you know, was wrong  
And all the nasty things you've done  
So, baby, listen carefully  
While I sing my come-back song  
(You lied to me) 'Cause she said she'd never turn on me  
(You lied to me) But you did, but you do  
(You lied to me) All these pains you said I'd never feel  
(You lied to me) But I do, but I do, do, do  
(Return of the Mack) Here it is  
(Return of the Mack) Hold on  
(Return of the Mack) Don't you know  
(You know that I'll be back) Here I go  
(Return of the Mack) Oh little girl  
(Return of the Mack) Wants my pearl

(Return of the Mack) Up and down  
(You know that I'll be back) Round and round

(You lied to me) But you did, but you do  
(You lied to me) All these pains you said I'd never feel  
(You lied to me) But I do, but I do, do, do

[Chorus]

(You know that I'll be back) Don't you know  
(Return of the Mack) Here it is  
(Return of the Mack) Hold on  
(Return of the Mack) Don't you know

## Dreams (Gabrielle)

They can come true  
They can come true  
Move a step closer  
You know that I want you  
I can tell by your eyes  
That you want me too  
Just a question of time  
I knew we'd be together  
And that you'd be mine  
I want you here forever  
Do you hear what I'm saying

Gotta say how I feel  
I can't believe you're here  
But I know that you're real  
I know what I want  
And baby it's you  
I can't deny my feelings  
Because they are true  
Dreams can come true  
Look at me babe, I'm with you  
You know you gotta have hope  
You know you gotta be strong  
Dreams can come true  
Look at me babe, I'm with you  
You know you gotta have hope  
You know you gotta be strong  
I've seen you sometimes  
On your own and in crowds  
I knew I had to have you  
My hopes didn't let me down  
Now you're by my side  
And I feel so good  
I've nothing to hide  
Don't feel that I ever could  
Do you hear what I'm saying  
Gotta say how I feel  
I can't believe you're here  
But I know that you're real  
I know what I want  
And baby it's you  
Can't deny my feelings  
Because they are true

Look at me babe, I'm with you

You know you gotta be strong

## The Boy Is Mine (Brandy)

The boy is mine, the boy is mine  
The boy is mine, the boy is mine  
The boy is mine  
Excuse me can I please talk to you for a minute?  
Uh huh sure you know you look kinda familiar.  
Yeah you do to, but I just wanted to know do you know somebody named?  
Oh you know his name.  
Oh yeah definitely I know his name.  
Well I just want to let you that he's mine.  
Huh no no he's mine!  
You need to give it up  
Had about enough  
It's not hard to see  
The boy is mine  
I'm sorry that you  
Seem to be confused  
He belongs to me  
The boy is mine  
Think its time we got this straight  
Sit and talk face to face  
There is no way you could mistake  
Him for your man are you insane  
But see I know that you may be  
Just a bit jealous of me  
But your blind if you can't see  
That his love is holding me  
See I tried to hesitate  
I didn't want to say what he told me  
He said without me he couldn't make it  
Through the day, ain't that a shame  
But maybe you misunderstood  
'cause I can't see how he could  
Wanna change something that's so good  
All my love was all it took (the boy is mine)  
You need to give it up  
Had about enough  
It's not hard to see  
The boy is mine  
I'm sorry that you  
Seem to be confused  
He belongs to me

Must you do the things you do  
You keep on acting like a fool  
You need to know its me not you  
And if you didn't know it's cause it's true

I think that you should realize  
And try to understand why  
He is apart of my life  
I know its killing you inside  
You can say what you wanna say

From the truth you can't escape  
I can tell the real from the fake  
When will you get the picture  
Your the past I'm the future  
Get away it's my time to shine  
If you didn't know the boy is mine

You need to give it up

Seem to be confused  
He belongs to me (he belongs to me)  
The boy is mine  
You can't destroy this love I've found  
Your silly games I won't allow  
The boy is mine without a doubt  
You might as well throw in the towel  
What makes you think that he wants you  
When I'm the one that brought him to  
The special place that's in my heart  
He was my love right from the start

You need to give it up  
Had about enough  
It's not hard to see  
The boy is mine  
I'm sorry that you

## No Scrubs (TLC)

A scrub is a guy that think he's fine and is  
Also known as a buster (buster, buster)  
Always talkin' about what he wants  
And just sits on his broke ass

So

No, I don't want your number (no)  
I don't want to give you mine and (no)  
I don't want to meet you nowhere (no)  
Don't want none of your time and

No, I don't want no scrub

A scrub is a guy that can't get no love from me

Hanging out the passenger side

Of his best friend's ride

Trying to holler at me

I don't want no scrub

A scrub is a guy that can't get no love from me

Hanging out the passenger side

Of his best friend's ride

Trying to holler at me

But a scrub is checkin' me but his game is kinda weak

And I know that he cannot approach me

'Cause I'm lookin' like class and he's lookin' like trash

Can't get wit' no deadbeat ass

So (yeah, yeah)

No, I don't want your number (no)

I don't want to give you mine and (no)

I don't want to meet you nowhere (no)

I don't want none of your time

Of his best friend's ride

Trying to holler at me

If you don't have a car and you're walking

Oh yea son I'm talking to you

If you live at home wit' your momma

Oh yes son I'm talking to you (baby)

If you have a shorty but you don't show love

Oh yes son I'm talking to you

Wanna get with me with no money

Oh no I don't want no (oh)

Then that leaves you in a class with scrubs never risin'  
I don't find it surprisin' if you don't have the g's  
To please me and bounce from here to the coast of overseas  
So, let me give you somethin' to think about  
Inundate your mind with intentions to turn you out  
Can't forget the focus on the picture in front of me  
You as clear as DVD on digital TV screen  
Satisfy my appetite with something spectacular  
Check your vernacular and then I get back to ya  
With diamond like precision, insatiable is what I envision  
Can't detect acquisition from your friend's expedition  
Mr. Big Willy if you really wanna know  
Ask Chilli, could I be a silly ho  
Not really, T-Boz and all my señoritas  
Is steppin' on your Filas but you don't hear me though

No, I don't want no scrub  
A scrub is a guy that can't get no love from me  
Hanging out the passenger side  
Of his best friend's ride

## Ice Ice Baby (Vanilla Ice)

Yo, VIP, let's kick it!  
Ice ice baby  
Ice ice baby  
All right stop  
Collaborate and listen  
Ice is back with my brand new invention  
Something grabs a hold of me tightly  
Then I flow that a harpoon daily and nightly  
Will it ever stop?  
Yo, I don't know  
Turn off the lights and I'll glow  
To the extreme I rock a mic like a vandal  
Light up a stage and wax a chump like a candle  
Dance  
Bum rush the speaker that booms  
I'm killin' your brain like a poisonous mushroom  
Deadly, when I play a dope melody  
Anything less than the best is a felony  
Love it or leave it  
You better gain way  
You better hit bull's eye  
The kid don't play  
If there was a problem  
Yo, I'll solve it  
Check out the hook while my DJ revolves it  
Ice ice baby Vanilla  
Ice ice baby Vanilla  
Ice ice baby Vanilla  
Ice ice baby Vanilla  
Now that the party is jumping  
With the bass kicked in, the fingers are pumpin'  
Quick to the point, to the point no faking  
I'm cooking MC's like a pound of bacon  
Burning them if they're not quick and nimble  
I go crazy when I hear a cymbal  
And a hi hat with a souped up tempo  
I'm on a roll and it's time to go solo  
Rollin in my 5.0  
With my ragtop down so my hair can blow  
The girlies on standby  
Waving just to say hi  
Did you stop?  
No, I just drove by  
Kept on pursuing to the next stop  
I busted a left and I'm heading to the next block  
That block was dead

# NINETIES

Yo so I continued to a1a Beachfront Ave  
Girls were hot wearing less than bikinis  
Rock man lovers driving Lamborghini  
Jealous 'cause I'm out getting mine  
Shay with a gauge and Vanilla with a nine  
Ready for the chumps on the wall  
The chumps are acting ill because they're so full of eight balls  
Gunshots ranged out like a bell  
I grabbed my nine  
All I heard were shells  
Fallin' on the concrete real fast  
Jumped in my car, slammed on the gas  
Bumper to bumper the avenue's packed  
I'm tryin' to get away before the jackers jack  
Police on the scene  
You know what I mean  
They passed me up, confronted all the dope fiends  
If there was a problem  
Yo, I'll solve it  
Check out the hook while my DJ revolves it  
Ice ice baby Vanilla  
Ice ice baby Vanilla  
Ice ice baby Vanilla  
Ice ice baby Vanilla  
Take heed, 'cause I'm a lyrical poet  
Miami's on the scene just in case you didn't know it  
My town, that created all the bass sound  
Enough to shake and kick holes in the ground  
'Cause my style's like a chemical spill  
Feasible rhymes that you can vision and feel  
Conducted and formed  
This is a hell of a concept  
We make it hype and you want to step with this  
Shay plays on the fade, slice it like a ninja  
Cut like a razor blade so fast  
Other DJ's say, "damn"  
If my rhyme was a drug  
I'd sell it by the gram  
Keep my composure when it's time to get loose  
Magnetized by the mic while I kick my juice  
If there was a problem  
Yo, I'll solve it!  
Check out the hook while my DJ revolves it  
Ice ice baby Vanilla  
Ice ice baby Vanilla  
Ice ice baby Vanilla  
Ice ice baby Vanilla

Yo man, let's get out of here  
Word to your mother

Ice ice baby  
Too cold too cold

## Baby, I Love Your Way (Big Mountain)

Ooh, baby, I love your way  
Everyday, yeah  
Ooh, baby, I love your way  
Everyday

Shadows grow so long before my eyes  
And they're moving across the page  
Suddenly the day turns into night  
Far away from the city  
But don't, oh no hesitate  
'Cause your love just won't wait  
Ooh, baby, I love your way

Everyday, yeah

I wanna tell you I love your way  
Everyday

I wanna be with you night and day  
Moon appears to shine and light the sky  
With the help from some fireflies

I wonder how they have the power to shine, shine, shine

Well I can see them under the pine  
But don't, oh no no, hesitate, la di da

'Cause your love just won't wait  
Ooh, baby, I love your way  
Everyday, yeah

I wanna tell you I love your way  
Everyday, yeah

I wanna be with you night and day  
Whoah baby, oh baby please  
Everyday

I will love, I will love hon  
I love your way  
Oh baby please

I can see the sunset in your eyes  
Brown and gray and blue besides  
Clouds are stalking islands in the sun

I wish I could buy one, out of season  
But don't, oh no no, hesitate, la di da  
'Cause your love just won't wait, just won't wait  
Ooh, baby, I love your way  
Every, everyday, yeah

I wanna tell you I love your way  
I wanna tell you, I will love your pretty ways

I wanna be with you night and day  
Everyday and in everyway

Ooh, baby, I love your way  
Ooh baby, how I love your little ways, yeah  
I wanna tell you I love your way

### Tragedy (Steps)

Here I lie in a lost and lonely part of town  
Held in time in a world of tears I slowly drown  
Goin' home I just can't make it all alone  
I really should be holding you, holding you  
Loving you, loving you  
Tragedy, when the feeling's gone and you can't go on  
It's tragedy, when the morning cries  
And you don't know why, it's hard to bear  
With no one to love you, you're going nowhere  
Tragedy, when you lose control and you got no soul  
It's tragedy, when the morning cries  
And you don't know why, it's hard to bear  
With no one beside you, you're going nowhere  
Night and day there's a burning down inside of me, oh, ooh  
Burning love with a yearning that won't let me be  
Down I go and I just can't take it all alone  
I really should be holding you, holding you  
Loving you, loving you  
Tragedy, when the feeling's gone and you can't go on  
It's tragedy, when the morning cries  
And you don't know why, it's hard to bear  
With no one to love you, you're going nowhere  
Tragedy, when you lose control and you got no soul  
It's tragedy, when the morning cries  
And you don't know why, it's hard to bear  
With no one beside you, you're going nowhere  
Tragedy, when the feeling's gone and you can't go on  
It's tragedy, when the morning cries  
And you don't know why, it's hard to bear  
With no one to love you, you're going nowhere  
Tragedy, when you lose control and you got no soul  
It's tragedy, when the morning cries  
And it hurts inside, it's hard to bear  
With no one beside you, you're going nowhere

## Mambo No. 5 (Lou Bega)

Ladies and gentlemen  
This is Mambo No. 5!  
One, two, three, four, five  
Everybody in the car, so come on let's ride  
To the liquor store around the corner  
The boys say they want some gin and juice  
But I really don't wanna  
Beer bust, like I had last week  
I must stay deep, 'cause talk is cheap  
I like Angela, Pamela, Sandra and Rita  
And as I continue you know they're getting sweeter  
So what can I do? I really beg you, my Lord  
To me flirting is just like a sport  
Anything fly, it's all good let me dump it  
Please set in the trumpet  
A little bit of Monica in my life  
A little bit of Erica by my side  
A little bit of Rita is all I need  
A little bit of Tina is what I see  
A little bit of Sandra in the sun  
A little bit of Mary all night long  
A little bit of Jessica here I am  
A little bit of you makes me your man  
Mambo No. 5!  
Jump up and down and move it all around  
Shake your head to the sound  
Put your hands on the ground  
Take one step left and one step right  
One to the front and one to the side  
Clap your hands once and clap your hands twice  
And if it looks like this then you're doing it right  
A little bit of Monica in my life  
A little bit of Erica by my side  
A little bit of Rita is all I need  
A little bit of Tina is what I see  
A little bit of Sandra in the sun  
A little bit of Mary all night long  
A little bit of Jessica here I am  
A little bit of you makes me your man  
Trumpet!

## Groove Is In the Heart (Deee-Lite)

Dig

The chills that you spill up my back  
Keep me filled with satisfaction when we're done  
Satisfaction of what's to come  
I couldn't ask for another  
No, I couldn't ask for another  
Your groove, I do deeply dig  
No walls, only the bridge, my supper dish  
My succotash wish  
I couldn't ask for another  
No, I couldn't ask for another

Groove is in the heart, Groove is in the heart  
Groove is in the heart, Groove is in the heart  
Watch out!

The depth of hula groove  
Move us to the nth hoop  
We're going through to, Horten hears a who  
I couldn't ask for another  
No, I couldn't ask for another  
DJ Soul was on a roll  
I been told he can't be sold  
Not vicious or malicious  
Just de-lovely and delicious  
I couldn't ask for another  
Someone's in this torso (yeah)  
Hot! Gotta deal you wanna know (wanna know)  
Dee-Liteful truly Dee-Liteful (liteful)  
Makin' it doin' it 'specially at show (show)  
Feeling kinda high like a Hendrix haze (haze)

All inside of me (side)  
Heart especially (yeah)  
Help of the rhythm where I wanna be (c'mon)  
Flowin' glowin' with electric eyes (ha)  
You dip to the dive baby you'll realize (yeah)

### **Rhythm of the Night (Corona)**

This is the rhythm of the night  
The night, oh yeah  
The rhythm of the night  
This is the rhythm of my life  
My life, oh yeah  
The rhythm of my life  
You could put some joy upon my face  
Oh, sunshine in an empty place  
Take me to turn to, and babe I'll make you stay  
Oh, I can ease you of your pain  
Feel you give me love again  
Round and round we go, each time I hear you say  
This is the rhythm of the night  
The night, oh yeah  
The rhythm of the night  
This is the rhythm of my life  
My life, oh yeah  
The rhythm of my life  
Won't you teach me how to love and learn  
There'll be nothing left for me to yearn  
Think of me and burn, and let me hold your hand  
I don't wanna face the world in tears  
Please think again, I'm on my knees  
Sing that song to me, no reason to repent  
I know you wanna say it

## Dreamer (Living Joy)

I'm a, I'm a, I'm a  
I'm a, I'm a, I'm a  
I'm a dreamer

Love life and laughter is all I believe  
My savior is pure now because my lonely heart would bleed  
I never learned how to hold love and stay strong to love  
Now I close my eyes now and I'm dreaming right where I belong

Here we lie all alone am I dreaming?  
Your heart's smooth my soul is unbelieving  
Now you see the me and I'm feeling, I'm feeling

I feel your hands, your lips, the heat of your body  
Whisper your love to me say that you love me  
Please just love me down and never leave me, I'm a dreamer

Here we lie all alone am I dreaming?  
Your heart's smooth my soul is unbelieving  
Now you see the me and I'm feeling, I'm feeling

I feel your hands, your lips, the heat of your body

## Just a Little Bit (Gina G.)

You're my love, you're my sweetest thing  
Don't shy away, don't shy away  
Every night makes me hate the days  
Can't get enough of your love  
Am I wrong? Am I so unkind?  
Show me the way don't turn away  
I can't hide all these thoughts in my mind  
Every moment I'm just thinking of you  
Ooh ah, just a little bit  
Ooh ah, a little bit more  
Ooh ah, just a little bit  
You know what I'm I'm looking for  
Ooh ah, just a little bit  
Ooh ah, a little bit more  
Ooh ah, just a little bit  
I'll give you love you can't ignore  
Feeling good let's go all the way  
It's got to be set me free  
But tonight let my body say  
Take it slow don't let it go  
How can I prove my love to you?  
Baby please, you're all I need  
Like a child but it's more than a phase  
Could act the angel but it wouldn't be true  
Ooh ah, just a little bit  
Ooh ah, a little bit more  
Ooh ah, just a little bit  
You know what I'm I'm looking for  
Ooh ah, just a little bit  
Ooh ah, a little bit more  
Ooh ah, just a little bit  
I'll give you love you can't ignore  
What can you do for me?  
What can you do?  
'Cause I feel so alive  
I feel your love inside  
Ooh, just a little bit a little bit more  
Just a little bit, just a little  
Just a little bit, a little bit more  
Just a little bit, whoa whoa whoa whoa

## Everybody's Free (Rozalla)

Everybody's free to feel good x 2  
Everybody's free  
Brother and sister  
Together we'll make it through  
Some day a spirit will lift you and take you there  
I know you've been hurting but I've been waiting to be there for you  
And I'll be there just helping you out  
Whenever I can  
Ohh Ohh  
Everybody's free to feel good x 2  
We are a family that should stand together as one  
Helping each other instead of just wasting time  
Now is the moment to reach out to someone  
It's all up to you  
When everyone's sharing their hope  
Then love will win through

Ooh, I've got the key  
I've got the secret  
I've got the key to another way

## Please Don't Go (K.W.S)

Please don't go, please don't go  
Please don't go, please don't go

Babe, I love you so  
(Please don't go)  
And I want you to know  
(Please don't go)

That I'm, gonna miss your love  
(Please don't go)  
The minute you walk out that door  
(Please don't go)

Please don't go  
(Please don't go)  
Please don't go  
(Please don't go)

(Please don't go)  
(Please don't go)  
(Please don't go)  
(Please don't go)

(Please don't go)  
(Please don't go)  
(Please don't go)  
(Please don't go)

(Please don't go)  
(Please don't go)  
(Please don't go)  
(Please don't go)

(Please don't go)  
(Please don't go)

Babe, I love you so and I want you to know  
That I'm, gonna miss your love  
The minute you walk out that door

Please don't go  
Don't go, don't go away  
Please don't go  
Don't go I'm begging you to stay

If you leave, at least in my life time  
I've had one dream come true

# NINETIES

I was blessed to be loved  
By someone as wonderful as you

Please don't go, don't go  
Don't go away please don't go  
Don't go, I'm begging you to stay hey, hey, hey

(Please don't go)  
(Please don't go)  
(Please don't go)  
(Please don't go)

(Please don't go)  
(Please don't go)  
(Please don't go)  
(Please don't go)  
(Please don't go)

Babe, I love you so and I want you to know  
That I'm, gonna miss your love  
The minute you walk out that door  
Please don't go, don't go  
Don't go away hey, hey, hey  
I need your love now, I'm on my knees  
Baby, you, please, please, please, don't go  
Don't you hear me baby, don't you need me know

Oh, no no, don't go  
Please don't go  
I want you to know, that I, I, I, I love you so

Please don't go  
Please don't go  
Please don't go

## Missing (Everything But the Girl)

I step off the train  
I'm walking down your street again  
And past your door, but you don't live there anymore  
It's years since you've been there  
Now you've disappeared somewhere, like outer space  
You've found some better place  
And I miss you, like the deserts miss the rain  
And I miss you, like the deserts miss the rain  
Could you be dead?  
You always were two steps ahead, of everyone  
We'd walk behind while you would run  
I look up at your house  
And I can almost hear you shout down to me  
Where I always used to be  
And I miss you, like the deserts miss the rain  
And I miss you, like the deserts miss the rain  
Back on the train, I ask why did I come again?  
Can I confess, I've been hanging round your old address?  
And the years have proved  
To offer, nothing since you've moved  
You're long gone, but I can't move on  
And I miss you, like the deserts miss the rain  
And I miss you, like the deserts miss the rain  
And I miss you  
I step off the train  
I'm walking down your street again  
And past your door, I guess you don't live there anymore  
It's years since you've been there  
Now you've disappeared somewhere, like outer space  
You've found some better place  
And I miss you,  
And I miss you,  
You found some better place  
And I miss you, like the deserts miss the rain  
And I miss you, yeah, like the deserts miss the rain  
And I miss you, and I miss you  
Like the deserts miss the rain  
And I miss you, yeah, like the deserts miss the rain  
The deserts miss the rain  
Like the deserts miss the rain  
Like the deserts miss the rain,  
Like the deserts miss the rain  
And I miss you, yeah, like the deserts miss the rain

## Sing It Back (Moloko)

When you are ready, I will surrender  
Take me and do as you will  
Have what you want  
Your way's always the best way  
I have succumbed to this passive sensation  
Peacefully falling away  
I am the zombie, your wish will command me  
Laugh as I fall to my knees  
Can I control this empty delusion?  
Lost in the fire below  
And you come running  
Your eyes will be open  
And when you come back, I'll be as you want me  
Only so eager to please  
My little song will keep you beside me  
Thinking your name as I sing  
Sing it back to me  
Sing it back to me  
No, you can't help it if you have been tempted  
By fruit hanging ripe on the tree  
And I feel useless, don't care what the truth is  
You will be here, come the day  
Truth, do you hear me? Don't try to come near me  
So tired I sleep through the lie  
If you desire to lay here beside me  
Come to my sweet melody  
Sing it back to me  
(Sing it)  
Bring it back  
(Sing it)  
Sing it back  
(Sing it)  
Bring it back  
Sing it back to me  
(Sing it, sing it, sing it)  
(Sing it back to me)  
Bring it back  
Sing it back  
Bring it back  
Sing it back to me

## Alright (Supergrass)

We are young, we run free, keep our teeth nice and clean  
See our friends, see the sights, feel alright  
We wake up, we go out, smoke a fag, put it out  
See our friends, see the sights, feel alright  
Are we like you, I can't be sure?  
Of the scene as she turns  
We are strange in our worlds  
But we are young, we get by, can't go mad, ain't got time  
Sleep around, if we like but we're alright  
Got some cash, bought some wheels, took it out, 'cross the fields  
Lost control, hit a wall but we're alright  
Are we like you, I can't be sure?  
Of the scene, as she turns  
We are strange in our worlds  
But we are young, we run green, keep our teeth nice and clean  
See our friends, see the sights, feel alright  
Are we like you, I can't be sure?  
Of the scene, as she turns  
We are strange in our world  
But we are young, we run green, keep our teeth nice and clean  
See our friends, see the sights, feel alright
